

25X1

1. Attached is a copy of the package provided the Director yesterday morning as preparation for yesterday's NSPG meeting. Saturday night Judge Clark informed the Director that the focus of the meeting, in anticipation of Shultz' European trip, would be on INF. [redacted] therefore, put together a compilation of the various proposals and counterproposals and met with the Director yesterday morning. [redacted] also prepared a package on Saturday on East-West Economic Relations. I will provide you a copy as soon as possible. [redacted] material will probably be germane to tomorrow's NSC meeting on Alternative Energies.

2. You should have received this morning or yesterday a copy of the latest reporting on Zia's intentions 25X1 regarding his nuclear program.
